Dear Lightning speedway- Laurel Park Place Mall,

We would like to take this opportunity to thank you on behalf of the entire Daycroft Montessori community for supporting our annual auction, which was on March 8, 2008. Because of your willingness to make a donation of Birthday Party for 8 at Lightning Speedway valued at \$110, we had the most successful auction in our history, grossing over \$90,000 for our school! Your contribution added to that success and we thank you most sincerely.

All of the funds raised by the auction will help enhance the educational programs for the students at Daycroft Montessori School. Your donation was featured in an advertisement in the Ann Arbor News on Sunday March 23, 2008. We will also be featuring your contribution in our yearbook and on our website.

We again wish to thank you for your generosity and support. Thanks to you we are making a difference!

Warm regards,
