Dear Mr. Prophet,

Thank you so much for donating two Parties for 8 to the Deerfield Family Fun Night. With the help of generous donors like you, we raised more than \$6,000 which will be used to fund programs such as reading incentives, assemblies and classroom enrichment. Businesses that donate are recognized in the school newsletter and at the school. We encourage our Deerfield families to support the businesses that so generously have supported the Deerfield community.

We are grateful for your generosity, and hope we can count on you again next year.

Respectfully,

Richard L. Njus
