I want to add my personal appreciation for your generosity in donating a gift to our school auction. We had an outstanding response from the seven hundred or so people who attended. It was exciting to realize that we raised over \$80,000 for our school and, most importantly, our students. The spirit of the bidders reflected the heart of the donors in the investment into this Kingdom-building ministry. We are so grateful for the part your contribution made in setting this great tone. To our staff, it validates all that we do here at PCA.

Your donation also encouraged us because it showed your support of what our ministry is doing in the lives of our students and their families. We are asking our Lord to richly bless you for the love and support you have shown to us. What these words are trying to convey is ... He is faithful to reward you for what you have done for Him. *"God is not unjust; He will not forget your work and the love you have shown Him as you have helped His people and continue to help them."* Hebrews 6:10. You have truly proven to be a good steward of the money He has entrusted to you!

As an expression of appreciation for all you've done, we have encouraged our school family to patronize the businesses of our donors. This is following the strong biblical principle stated in Ecclesiastics 11:1 which says, *"Give generously, for your gifts will return to you later."* In that day it was called "casting your bread upon the waters" and today we say "what goes around comes around". God blesses you as you bless others.

We have been blessed by our partnership!

Dr. David L. Butler
Head of School
